III Year B.Sc. STUDENTS

Driven by the utmost value of ‘serving the student community’, this Institute has impeccably imparted the required knowledge and skills even during these tough times through online classes and by closely monitoring the progress of the students with care and concern enabling the students to successfully march into the 6th semester.

As per the directions from competent authority, the Institute is now open for physical classes and we welcome all the Final Year Degree students on board from the First week of February to continue their regular classes by reporting physically and adhering to the covid-19 appropriate behavior norms.

We understand that the pandemic is still active and has impacted the people in all spheres of life. Equally keeping in mind the academic requirements that each prospective student should fulfill, we encourage the students to pay the tuition fees for the 6th semester on or before 15th March 2021 and the Institutional fees of Rs.7708/- (Rupees seven thousand seven hundred and eight only) which was supposed to be paid during the 5th semester may be paid on or before 15th February 2021. Your cooperation in this regard will be highly appreciated and this will also enable us to proceed further in maintaining the administrative procedures.

The above mentioned fees must be paid online and the payment details with necessary information like transaction ID, Student’s name, etc., may be mailed to the college through its ID ihmtaramani@gmail.com.

We wish all the students a safe, healthy and a fruitful semester.
