COMMUNICATION

3rd August, 2020

Dear Students,

GREETINGS FROM IHM CHENNAI!

In wake of the COVID-19 pandemic, we extend our support to you and your family. During these unprecedented times, it is essential to remain optimistic and connected with one another.

As the new academic year approaches, we would like to introduce a new yet familiar method of instruction, online classes. These classes will commence from the 10th of August, 2020. This method will ensure that knowledge will be provided in a safe manner while igniting fun, creativity and innovation!

In accordance with the regulations framed by NCHM, we are delighted to announce that all the students of B.Sc II Semester have been promoted to III Semester. Similarly, all the students of B.Sc IV Semester (both Institute & Industrial Training Batches) have been promoted to B.Sc V Semester. If there are any candidates who wish to reappear after the results have been declared by NCHM, exams will be held only for the respective students.

The time-table for the online classes will be circulated in the respective WhatsApp groups by the concerned faculty. Hence, all the students are requested to keep themselves updated about their classes and attend with utmost sincerity. We encourage each and every one of you to be regular and avoid absenteeism.

The details about the payment of the tuition fees for the B.Sc III and V semesters have been made available in our college website www.ihmchennai.org. Students are requested to pay their semester fees.

Our faculty team are eager to interact with you all and we look forward to having you all for the online classes from 10th August 2020.

Wishing you all safety and well-being!

With best regards
